Integrated Uniform Command.
Strategic Command.

Desired outcome is everyone wins.

- ① Gov. time and distance. - between incident and reduced mandates
- ② Protesters - need to see the lifting ^{control}
- ③ OPS needs to be involved & return to normal
- ④ Community return to normal.

Trucks and people need to leave.

Executives need to define success.

Deployment plan replaces all OPS employees over the coming days to give them rest.

Strategic messaging - ask for objectives
- smart (ie 40 trucks, open road...)

These are identified things not done yet.

PLT just approved. yesterday.

Intelligence we learned today = women children who is on parole & probation

CVRs message.

Kinetic message.

Timeline: Tolerated for 2 wks
day 2 harder. day 3 worst...

Residual foot print required.
to prevent ~~...~~ } maintain.

check, my people are done. We need help

What is end date?

Impact of kinetic too early
Crowd psychology - goal is National
Psychologist - consulted.

- 3-4 days of ramp up.

- PM repeating.

- not as inflammatory if we have to go.

K-Div success with this model.

200 down to 40.

Same plan done in isolation!

Key: 1 Psychology. ^{Protesters} < can citizens.

④ Things not done.

② Impact in other areas.

③ Managed at a National Level

⑤ Timeline likely been restored / unless success.

⑥ Community is looking for a fight.

④ Tactico ops along way.

Wendy

People being held
Weapons Trafficker (Not Dr.)

- Need to bring in people from the community they are from whatever community - so that.
- Public face vs on the street
- Peace officer
- RCMP / OPP.

* Small group offering advice
* Next level of failure.

⑦ Carson - who does ~~not~~ want?

Woodsor.

↳ Letter. ↳ will clear after meeting.

May

NSIA. Call.

09100

Logical, bilingual

Explain how things unfold.

RCMP will be seen as organisation that will resolve this.

- Intervention in a more forceful way.

- Bring people to briefings.

- action have never been done

↳ Intervention.

- as command, you feel everyone is using full authorities...

- big pressure on RCMP.

↳ RCMP is taking advantage of opportunities.

- act is stating it is the RCMP.
(it is different organisation).

- urgency spokesperson.

Trish/Carson/Mike.

- We need strong coming.

- Video of violence, Video from courts ...

- key achievements.

- public about lawful protest.

90. Discussion w Phil Lue. No ICC

No awareness of Movement.

2022-02-15

10:30 Discussion with Carson, Phil, Michele P.

Objectives today: Commander
fully briefed on op tomorrow.

- concerns he was not aware of.
- plan can move ahead.
- * - Informed by PLT
- opportunity.

My input: We do not have a U.F.C.

Encouraged by action plan to tomorrow.
MCIC ^{ops} changed plan.

Two Commissioners need to call Chief Ops.

What are our objectives?

How can we use EA?

Where do we want designations?

Planning or isolation of NotDr/PPS/Gat.

If change of command - can be seamless.

people are here. MCIC available.

3-4 days - should have started Sunday (Wed).

Then move to mass removal if no progress?

(we are a day into the 3-4 days).

Set objectives they are going to check.

ADM NSOPS

1300 Don R. Now how are we moving ahead. Banks waiting.
 - D.P.M. - why is information not flowing to banks.

Emerson - Blizzard / Cleanup.
 - 1200 tomorrow Media.

Coutts - Port is open.
 - clearing up site.
 - leaving because of police action.
 B.C. still eps.

(*) Financial - Follow up. on how we are sharing notes.
 - this afternoon @ 2pm.
 to discuss coming process.

Mon Champagne → Corp Act.
 → wants to show doing something

end Truck
